

MAZDA CX-90

## A SYMPHONY OF HUMANITY AND CRAFTSMANSHIP

In Japan, it is said that the energy a craftsman puts into their creation can be transferred to its recipients. This was certainly the intent in designing the first-ever Mazda CX-90. Every nuance is designed to express the creative spirit and energy of the craftsmen who created it, leaving you empowered, uplifted and invigorated with every drive.

## AN ARTIST'S CANVAS

Under the skillful hands of Mazda's Takumi, or master craftsman, each Mazda is infused with meticulous detail rooted in Japanese tradition. This results in a timeless and authentic design that connects with you on a human level.

## A SYMPHONY OF LIGHT AND SHADOW

The refined signature sculpting across the Mazda CX-90 deepens the interplay of light and shadow, allowing the vehicle to absorb and reflect the beauty of the world around it.

Artisan Red Premium is a deep, sophisticated shade that accentuates the strength and beauty of form that takes shape as the vehicle moves throughout the world, constantly rendering new expressions of color.

## CRAFTED WITH TIMELESS ARTISTRY

The elongated hood line of the In-line 6 engine creates a larger canvas for Mazda craftsmen to develop the instantly recognizable profile of the CX-90. This evokes strength and agility with a powerful and stately silhouette.

The bold, striking appearance leaves a lasting impression wherever it goes. The powerful grille, sweeping LED headlamps, and chrome accents assert a sophisticated character.

The ideal proportions and standard 21" Diamond Cut aluminum alloy wheels give it a dominant and commanding presence.

Disclaimer: Overseas model shown

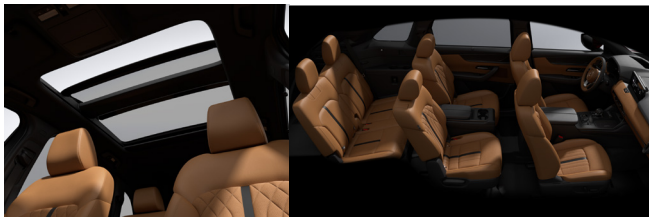

## REDEFINING THE FUSION OF SPACE AND LUXURY

Guided by Mazda's KODO design principle, the Mazda CX-90 elevates the cabin experience to a level never seen before. Every element in the CX-90 puts focus on carefully curated materials combined in perfect harmony.

The continuous lines centered around the driver deliver a carefully considered cockpit design, while creating an open and welcoming interior space everyone can call their own.

## SOPHISTICATION IN VERSATILITY

The most spacious crossover in Mazda's line-up, the CX-90 considers the comfort and well-being of each passenger. The Mazda CX-90 comes with a second-row bench or second-row dual captain's chairs.

Nappa leather seats create a harmonious space that is both inviting and restorative. The Panoramic Sunroof enables passengers to embrace the world around them as they enjoy the natural light and enriching open ambiance.

Versatility is effortless with a third-row that folds down to an impressive 1,163 liters of space. A hands-free power tailgate reveals cargo room with a simple swing of the foot.

## INTUITIVE CONNECTIONS

The Mazda CX-90 delivers a human-centric experience that is thoughtful as it is elegant.

Three main displays put everything you need, right where you need it: a 12.3" Mazda Connect infotainment LCD display, a 10.4" heads-up display, and a fully digital 12.3" LCD display meter set.

The latest Mazda Connect lets you connect your phone via Android Auto or wireless Apple CarPlay, while a 12-Speaker BOSE® Sound System coupled with the refined quietness of the cabin provide a distinct auditory experience.

## PERSONALIZED FOR YOU

The imposing strength and elegance of the Mazda CX-90 conveys the intelligence of its front-engine, rear-wheel drive crossover architecture—an elevation of the Jinba-Ittai philosophy.

It goes further with a personalized level of comfort and driving ergonomics with the Mazda Driver Personalization System.

Enter your height and using cutting-edge facial recognition technology, it automatically adjusts over 250 settings tailored to your preferences.

Seat, steering wheel, door mirror, and heads-up display positions, as well as audio, climate, and vehicle settings are all fine-tuned to fit you like a glove.

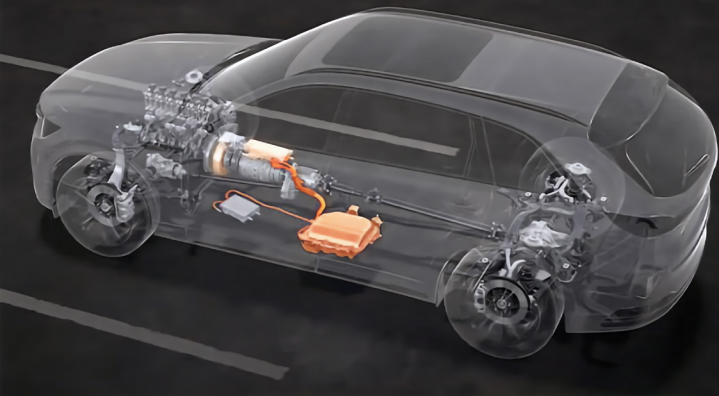

## CRAFTED WITH POWER

Exemplifying genuine luxury, the Mazda CX-90 uses the Large Vehicle Platform to maximize human potential delivering excellent performance and superior stability.

The new-generation 3.3-liter e-SKYACTIV-G power unit features Mazda Hybrid Boost, Mazda's 48V hybrid system where its electric motor and internal combustion engine work in harmony to generate high output with excellent fuel economy and emissions performance. This is mated to an eight-speed multi-plate automatic with rear-biased i-ACTIV All-Wheel Drive.

Kinematic Posture Control further adds stability when cornering by braking the inner rear wheel to mitigate body roll for a more confident ride.

## SUSTAINABILITY THAT INSPIRES

Committed to a multi-solution approach to sustainable mobility, the CX-90 combines strong environmental performance with the driving pleasure inherent in every Mazda.

Mazda Hybrid Boost captures energy that is normally wasted during braking and stores it in a compact lithium-ion battery. It deploys that energy to propel the vehicle—on its own with sufficient charge—saving fuel and optimizing performance.

## CONFIDENCE ON ANY ROAD

The ultimate driving experience is assured with the Mazda Intelligent Drive Select system (Mi-Drive).

Allowing the driver to select one of four switchable drive modes: Normal, Sport, Off-Road, and Towing, it delivers excellent performance and safety in the widest possible range of driving environments.

## EXPANDING YOUR AWARENESS

The i-Activsense safety technology on the Mazda CX-90 is engineered to heighten your senses and increase your awareness of the surroundings to prevent and mitigate collisions.

Active Driving Display projects all key information in your line of sight, helping you keep your eyes on the road.

The 360° View Monitor with See-Through View is a next-generation 360° monitor that provides an extended field of view when parking.

Hill Descent Control (HDC) provides a safe descent of steep slopes when the surface is rough or slippery, giving you confidence.

Mazda Radar Cruise Control (MRCC) with Cruising & Traffic Support (CTS) reduces driver fatigue when cruising by maintaining a constant distance between your CX-90 and the vehicle ahead. CTS monitors lane markings or the vehicle ahead to automatically keep your CX-90 centered within its lane.

## PRIDE OF OWNERSHIP

Mazda prides itself with building cars that create *Kizuna*—a lasting, almost inseparable bond forged through trust and support. This creates an emotional bond between car and driver.

Backed up by the concept of *Omotenashi* or supreme hospitality, it is all about offering premium service to premium customers.

## 5 YEARS FREE SERVICE PLAN

Worry-free ownership is the hallmark of the Mazda driving experience. We believe that ease of ownership is key to a long and lasting relationship with your Mazda.

That is why every brand-new Mazda vehicle includes FREE parts and labor for every scheduled Preventive Maintenance Service for five years, or up to 100,000km odometer distance, whichever comes first. If you happen to need assistance, you may avail of emergency towing and minor roadside repair support\*, which comes with your brand-new Mazda. These unique benefits further enhance your Mazda's three-year, or 100,000km, New Vehicle Limited Warranty, Bumper-to-Bumper coverage.\*\*

With over 19 full-service dealerships across the country ready to attend to your vehicle's needs, you can celebrate the joy and freedom of driving that only a Mazda can deliver.

Owning a Mazda is more than just driving with confidence and reassurance. A hassle-free ownership experience is the fulfillment of Mazda's promise to be your reliable partner in life's amazing journeys.
