ALL-NEW MAZDA CX-5

A NEW EXPRESSION OF EVERYDAY LUXURY

Designed around you, crafted to be experienced,
in the Mazda way.

A NEW CHAPTER, MADE FOR WHAT MATTERS

The All-New Mazda CX-5 elevates the everyday experience with a more confident design, enhanced comfort, improved usability, and the signature driving character that defines Mazda.

Designed for daily commutes, family moments, and weekend journeys, it brings together practicality, refinement, and an engaging drive in one versatile SUV.

DESIGNED AROUND YOUR LIFE

The All-New Mazda CX-5 is designed to naturally fit into the rhythm of everyday life. Guided by the concept of “Wearable Gear,” its evolved Kodo design combines confidence, refinement, and functionality, making it ready for a wide range of lifestyles and uses.

BEAUTY IN EVERY MOVEMENT

Inspired by the beauty of movement, the All-New Mazda CX-5 gives the Kodo design a new expression. Its stronger proportions and confident stance create a sense of motion even at rest, while every surface has been carefully shaped to give the vehicle a refined yet unmistakable presence.

WHERE CRAFTSMANSHIP BECOMES CHARACTER

A distinctive trapezoidal motif defines the boundary between the body and the lower cladding, visually reinforcing the All-New CX-5's solidity. This element draws inspiration from kigumi, the traditional Japanese woodworking technique in which structures are precisely interlocked without nails. In a similar way, the upper and lower sections of the vehicle appear seamlessly yet firmly connected, expressing structural integrity.

A SPACE MADE TO FEEL LIKE YOURS

Step inside and the world begins to slow down. Guided by the Japanese aesthetic principle of Ma, the All-New Mazda CX-5 creates a sense of space, balance, and harmony. Carefully chosen materials and purposeful details come together to create a cabin that feels calm, welcoming, and naturally yours.

MORE ROOM FOR LIFE TO UNFOLD

More room means more possibilities. Increased rear knee clearance, greater headroom, wider rear door openings, and improved cargo usability make the All-New Mazda CX-5 more comfortable and practical for everyday life, family journeys, and everything in between.

EVERYTHING, RIGHT WHERE YOU NEED IT

Driving should feel natural. From the horizontal dashboard to the redesigned center console and refined seating, every element of the All-New Mazda CX-5 has been thoughtfully placed around the driver. The result is an environment that feels intuitive from the moment you take the wheel.

YOUR WORLD, ALONG FOR THE RIDE

The things that matter to you should never feel far away. With built-in connectivity, the All-New Mazda CX-5 brings Apple CarPlay and Android Auto seamlessly into the journey. From finding your way to discovering what comes next, familiar technology becomes a natural part of the drive.

WHERE SOUND MEETS THE JOY OF DRIVING

Some journeys are remembered for where they take you. Others, for how they make you feel. The Bose 12-speaker premium sound system with Perceptual Sound Rendering fills the cabin with an immersive, carefully tuned listening experience, allowing every song, conversation, and quiet moment to become part of the journey.

CONFIDENCE FOR EVERY JOURNEY

The road can change in an instant. The All-New Mazda CX-5 is designed to help you stay confident through it all, with advanced i-ACTIVSENSE technologies that support awareness, control, and peace of mind. Because feeling protected means having more freedom to focus on the journey ahead.

WHERE YOU AND THE ROAD BECOME ONE

There is a moment when driving becomes more than simply getting somewhere. It is the feeling of the vehicle responding naturally to you, and every movement feeling instinctive. This is Jinba-Ittai—the connection between car and driver. In the All-New Mazda CX-5, refined steering, pedal response, and suspension work together to make that connection feel effortless.

POWER THAT MOVES WITH PURPOSE

Performance is not simply about numbers. It is about how naturally power arrives when you need it. With 181 PS and 242 Nm of torque, the All-New Mazda CX-5 delivers confident, responsive performance, while its recalibrated six-speed automatic transmission keeps every movement smooth and composed.

A NEW ENERGY FOR EVERY JOURNEY

Moving forward is not only about where the road takes you, but how you choose to travel it. The new 2.5-liter e-SKYACTIV-G with Mazda hybrid technology brings together smooth performance and greater efficiency, creating a drive that feels effortless while embracing a more sustainable way forward.

A QUIETER WAY TO JOURNEY

In a world that rarely slows down, the All-New Mazda CX-5 creates a space where you can simply enjoy the journey. Refined suspension tuning, improved road holding, reduced vibration, and enhanced sound insulation come together to create a quieter, more composed cabin—giving you the comfort to settle in and enjoy every moment on the road.
